2025–26 Scholarship Application

With gratitude to kind benefactors, BHSC is pleased to offer a BHSC Scholarship Award to a family or families who otherwise would not be able to afford to enroll in the BHSC classes they'd like their students to take.

Eligibility Requirements

The Bluebonnet community is proud to include families from a wide variety of places of origin, walks of life, and cultural backgrounds. We warmly welcome scholarship applicants who share the [BHSC vision](#), who affirm [BHSC Creed & Principles](#), and who agree to fulfill the [parent/guardian responsibilities](#). To be eligible for the scholarship award, the applicant must also submit all three parts of the BHSC [enrollment application](#) by or on **April 29, 2025**, attend a required information session by May 26, 2025, participate in the admissions family interview by June 7, 2025, and submit enrollment paperwork and registration fees by June 15, 2025. The scholarship will be awarded primarily based on financial need.

Receipt of scholarships is contingent on students upholding the code of conduct including the agreement to come prepared to each class with supplies in hand and homework completed—repeatedly failing to come on time and prepared for class or to uphold the code of conduct may result in loss of scholarship/withdrawal from class with no reallocation of scholarship funds.

How & When to Apply

Complete and return the following application questionnaire **by or on April 29, 2025**. Completed applications can be sent to the Executive Director at jhartenburg@bluebonnetscholars.org with the subject line “Scholarship Application,” and she will forward it to a neutral, out-of-state third party for evaluation. Be sure to also complete the BHSC [enrollment application](#) by **April 29** as well if you have not already applied for fall admission.

Award Process

To maintain a fair review process, all scholarship applications will be reviewed by a neutral, out-of-state party who will suggest an award decision based on established criteria. The applications and suggested award decision will then be reviewed by a second neutral party to ensure an equitable process and adherence to objective award criteria.

NON-DISCRIMINATION POLICY: It is the policy of BHSC to admit homeschooling families and students of any race, color, national or ethnic origin to all the rights, privileges, programs and activities generally made available to families and students. BHSC will not discriminate on the basis of race, color, or national or ethnic origin in the administration of its educational policies, admissions policies, scholarship and/or loan programs, or any other programs.
